testin' sunshine on slender necks throws me in a shock  
you're my precious little roll, so let master suck cook  
harvesting life's sweetest fruit, pamper you with joy  
human fallout, damage done, I sure do love my boys.  
trophy slug you're not the first, and you won't be the last  
best friends, but our time is short, xixie grow up so darn fast  
my wrongs feel right, so take a bite, I'll burn out all your pain  
deeply ashamed, but not at peace, for in hell I shall reign
